

PRODUCT DATA SHEET | BIKE CARE ECO SURFACE SHINE

FIRST FILL SURFACE SHINE is a natural cleaning agent that easily removes grease and dirt. The unique composition of the product leaves no scratches and ensures a streak-free, shiny result. The hydrophobic wax technology ensures a long-lasting deep shine and a dirt-repellent effect.

After application of this product, a protective layer is formed that continues to repel dirt, water and grease, making subsequent cleanings easier.

APPLICATION

Regains gloss and can be used in the following application areas: **AUTOMOTIVE:** paintwork, all surfaces, chrome, glass, mirrors, headlights, rear lights, etc. **HOUSEHOLD:** Mirrors, high-gloss furniture and kitchens, glass table tops, sanitary ware, etc.

PROPERTIES

- Biodegradable
- Beautiful shine
- Applicable to many materials
- Water and dirt-repellent
- Non labor-intensive application
- Cleans the surface
- Nice odor
- Without blurring effects on the surface

INSTRUCTIONS

Pre-clean a strongly soiled surface first, because of the possibility of scratching the surface to be treated. After spraying on the surface, Surface Shine should be lightly rubbed manually with a soft microfibre cloth.

Applying and slightly rubbing the product also has a cleaning effect. Then polish with a second microfiber cloth until the haze disappears from the surface and the surface is completely dry.

PHYSICAL PROPERTIES

Color	:	Orange
Base	:	Water, siloxane, additives
Density	:	0,96 kg/l
pH	:	7
