

FIRST FILL COCKPIT CLEANER brings the interior of your car back to optimum condition and can be used on, for example, the dashboard, plating cladding of doors, strips of rubbers and all plastic on the outside. Cockpit Cleaner is non-sticky and has anti-static properties, which means that dirt and dust is less likely to adhere to the treated surface. The product is also water-resistant. It gives a nice satin-shine and leaves a pleasant fragrance.

APPLICATION

For cleaning of and caring for the dashboard, plastic door trim, rubber strips, tires, bumpers and more. Can also be used as tire gloss with a satin finish.

PROPERTIES

- Satin-finish
- Leaves a pleasant scent
- Non-sticky
- Anti-static effect
- Prevents the adhesion of dirt and dust
- Water-repellent effect
